2001 Article Index

The year in review

The following is a listing of all technical articles, features and news items that appeared in *Wire Journal International* during calendar year 2001. The items are arranged by categories.

Companies may arrange for reprints by contacting the WAI headquarters at 1570 Boston Post Road, P.O. Box 578, Guilford, CT 06437-0578, USA. Tel. 203-453-2777; fax 203-453-8384.

2001 *WJI* cover stories

January: "Industry automation," *p. 82.*

February: "Ferrous wire manufacturing," *p. 60.*

March: "Atlanta 2001: Interwire: Wire & Cable Manufacturing Week and the WAI's 71st Annual Convention," *p. 79.*

April: "Industry software," *p. 88.*

May: "Insulated wire manufacturing," *p. 58.*

June: "Cable Materials," *p. 60.*

July: "Interwire 2001 wrapup," *p. 64.*

August: "Visiting the land of the Bard: WAI's 2001 International Technical Conference," *p. 54.*

September: "Ferrous equipment," *p. 60.*

October: "The wire & cable industry: The Good, The Bad and The Outlook," *p. 72.*

November: "Compounds, colorants and blenders," *p. 64.*

December: "Measuring & testing," *p. 64.*

Fastener Update

"Linked fastener events collectively draw well," *January 2001, p. 52.*

"PCC agrees to joint venture with India's Kadimi Tool," *January 2001, p. 52.*

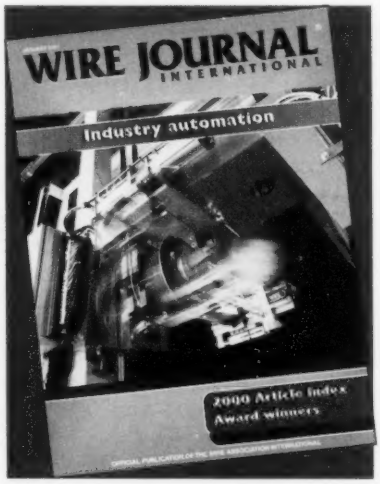
"Richelieu completes acquisition of Reliable Fasteners," *January 2001, p. 53.*

"Heat-treatment company to open facility in Pennsylvania," *January 2001, p. 53.*

"Alcoa to acquire Midwest Fastener," *February 2001, p. 52.*

"Austrim enters Ford supply deal," *February 2001, p. 52.*

"Advisory covers heat-treating services," *February 2001, p. 52.*



"Internet site has wide range of fastener products," *February 2001, p. 52.*

"TransTechnology to divest several fastener units," *March 2001, p. 58.*

"Leggett & Platt enters venture," *March 2001, p. 58.*

"IFFI tech program in Cleveland to feature two tracks," *March 2001, p. 62.*

"Wire Tokyo exhibition a big success," *April 2001, p. 68.*

"Fastener Fair moves to new site," *April 2001, p. 68.*

"IFI seminar to teach aluminum fastening technology," *April 2001, p. 68.*

"Facility in U.K. produces coating applications for fasteners," *April 2001, p. 68.*

"Bisco Industries opens two new facilities," *April 2001, p. 70.*

"Testing lab members, equipment makers are sought for ASTM task group," *April 2001, p. 70.*

"Canterbury Group formed by two fastener industry veterans," *May 2001, p. 48.*

"New hours and golf outing highlight 2001 CBNSA fastener expo," *May 2001, p. 48.*

"CBNSA elects board members," *May 2001, p. 50.*

"ISANTA elects new officers for 2001," *June 2001, p. 44.*

"Guide for laboratory competence offered," *June 2001, p. 44.*

"WAFD reports its new officers," *June 2001, p. 44.*

"Fastener training programs offered," *June 2001, p. 44.*

"TransTechnology to divest fastener businesses," *July 2001, p. 44.*

"Emhart Fastening acquires Barnal," *July 2001, p. 44.*

"IFI names officers, board members," *July 2001, p. 44.*

"Organizers pleased with IFFI debut in Cleveland," *August 2001, p. 42.*

"Barnes Distribution will consolidate two distribution centers by 2002," *December 2001, p. 41.*

Feedback

"Tech author remembered for work in Taiwan," *January 2001, p. 40.*

Ferrous Machinery

"Ferrous equipment," *September 2001, p. 60.*

Ferrous Wire

"Ferrous wire manufacturing," *February 2001, p. 60.*

Fiber Watch

"Corning announces Vietnamese venture, U.S. order," *January 2001, p. 46.*

"Optical Cable Corp. reports largest order," *January 2001, p. 46.*

"Lucent/Global report 40 Gb/s transmission," *January 2001, p. 46.*

"Corning announces new plant location, fiber order," *February 2001, p. 50.*

"Double jacket offers better chemical protection," *February 2001, p. 50.*

"Submarine system capable of 320 Gb/sec transmission," *February 2001, p. 50.*

"Asia Global Crossing reports Trans-Pacific fiber first," *February 2001, p. 51.*

"Corning's fiber chosen for P&G high-speed network," *March 2001, p. 64.*

"Optical fiber consumption increases as prices fall," *March 2001, p. 64.*

"Plans announced for Australian fiber optic network," *March 2001, p. 66.*

"Ericsson chosen to supply Aerie's U.S. network," *March 2001, p. 66.*

"Pirelli announces US$125 million contract with tie-in to Olympics," *April 2001, p. 64.*

"Alcatel to supply fiber to Grande Communications," *April 2001, p. 64.*

"Military order helps Optical Cable sales," *April 2001, p. 67.*

"Corning invests further in fiber," *April 2001, p. 67.*

"CRU predicts general slowdown of global fiber optic cable market," *May 2001, p. 44.*

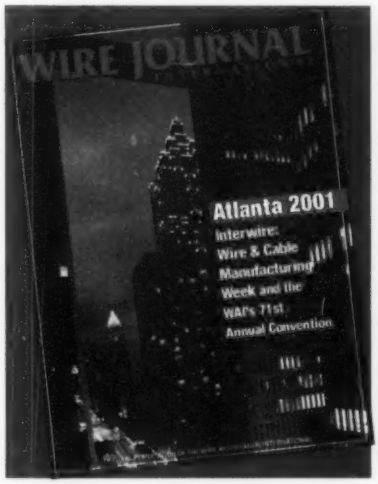
"Corning ups its stake in Brazilian fiber company," *May 2001, p. 44.*

"Fiber optics expo will run alongside assembly event in October," *May 2001, p. 44.*

"Pirelli updates plant status, introduces new premise products," *May 2001, p. 45.*

"Lucent reports German telecom contract," *May 2001, p. 46.*

"Fluke acquires Fotec," *May 2001, p. 46.*



"Lucent announces Chinese, German fiber contracts," *June 2001, p. 46.*

"Corning to supply fiber for Chinese long-haul network," *June 2001, p. 47.*

"New fiber optic event debuts in Illinois this October," *July 2001, p. 42.*

(continued)

"Ultra-high bandwidth cable for LAN applications presented," *July 2001, p. 42.*

"France's Alcatel chosen for North American optical network," *August 2001, p.38.*

"ETL SEMKO upgrades fiber optic cable testing services," *August 2001, p. 38.*

"Corning notes Russian contract, patent infringement case," *August 2001, p. 40.*

"FiberCore lands US$20 million multi-year fiber contract," *September 2001, p. 48.*

"TyCom receives operator licenses for buildout in Spain and Portugal," *September 2001, p. 48.*

"Optical Cable gets military qualification," *September 2001, p. 48.*

"Corning reports record transmission, contract and job cuts," *October 2001, p. 44.*

"Scientists discover that marine creatures could lead to better optical networks," *October 2001, p. 44.*

"JR West to extend network along track," *October 2001, p. 46.*

"Rise in fiber demand expected after 2003," *October 2001, p. 46.*

"TyCom becomes Lucent's first UltraWave undersea fiber customer," *November 2001, p. 46.*

"Companies test interoperability of transceivers," *November 2001, p. 46.*

"Navy qualifies General Cable for blown fiber," *November 2001, p. 46.*

"Daewon, Corning sign four-year supply agreement for optical fiber," *November 2001, p. 47.*

"CTC expands reach of its fiber network by adding fiber access locations," *November 2001, p. 47.*

"Tyco buys remaining stake in TyCom," *December 2001, p. 38.*

"CommScope in talks to rework Furukawa deal," *December 2001, p. 38.*

"Broadwing and Allegiance strike a deal," *December 2001, p. 38.*

"Fiber Optic Center announces optical properties test services," *December 2001, p. 38.*

"Fibers and components to be explored in Photonics briefings," *December 2001, p. 39.*

"FCI Fiber Optics acquires optical switch product line from AIFOtec," *December 2001, p. 39.*

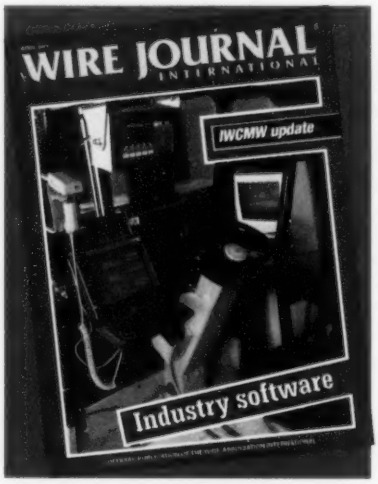
Industry News: January

"Phelps Dodge announces intention to sell wire and cable group," *p. 20.*

"Delphi Automotive plans to pare down operations," *p. 21.*

"Horizon reports buyout by company president," *p. 21.*

"AlphaGary part of Laporte sale to new company called Rockwood Specialties," *p. 22.*



"Revised ISO 9000 series published," *p. 22.*

"MGS Manufacturing to move to new facility," *p. 24.*

"New home announced for Fluid Coating," *p. 24.*

"Bekaert reports DuPont deal, agreement to acquire Bastion," *p. 26.*

"ARC signs contract with Carris specialty Products," *p. 26.*

"PolyOne Corporation reports formation of new wire and cable business," *p. 28.*

"Union Minière to invest in a new installation," *p. 28.*

"Corning announcements range from facilities to publicity campaign," *p. 29.*

"Tensolite plans to close Vermont plant," *p. 30.*

"Kimberly-Clark notes expansion to its Formulabs Division," *p. 30.*

"Four of five Dynisco companies purchased by Madison Capital," *p. 33.*

"Newline names CJ Resources as representative," *p. 33.*

"ORII merges with MEC," *p. 34.*

"Charter Steel to expand its rolling capability," *p. 34.*

Industry News: February

"Northwestern Steel and Wire Company files for bankruptcy," *p. 20.*

"Copperweld parent declares Chapter 11," *p. 20.*

"Foerster modernizes, expands Reutlingen facility," *p. 20.*

"BHS-Torin reports largest-ever contract, order from U.S. Department of Energy," *p. 21.*

"New wiredrawing plant for stainless steel fine wire inaugurated in Mexico," *p. 21.*

"Teknor Apex creates separate TPE division," *p. 22.*

"Pirelli to separate cable and systems division," *p. 22.*

"Fundia Wire acquires remainder of Nedstaal Draad," *p. 22.*

"Co-Steel Inc. closes Whitby plant in Canada," *p. 24.*

"Nextrom Toronto announces reorganization," *p. 24.*

"Laclede exits Chapter 11, sells Mid-America," *p.26.*

"Anicom, Inc., files for bankruptcy; efforts to secure funding fail," *p. 26.*

"Superior TeleCom Inc. names Knup as its president and COO," *p. 32.*

"Southwire Company updates its online site," *p. 32.*

"Sterlite plans to move headquarters to U.S., will build new plant in India," *p. 36.*

"DynaMotive reports orders, new agents," *p. 36.*

"Four Japanese companies plan to create wire rope company in Osaka," *p. 38.*

"Danieli reports on several contracts," *p. 38.*

"Morgan reports contracts, confirmation of patent," *p. 39.*

"Technical seminar by Outokumpu draws more than 50 participants," *p. 40.*

"Davis-Standard offers 2001 series of classes," *p. 40.*

"2001 Charles D. Scott Award winners named," *p. 41.*

"CommScope finalizes new plant location," *p. 41.*

Industry News: March

"Henkel Group agrees to buy ATOFINA's Metal Treatment Division," *p. 26.*

"Gem Gravure expands with Wachusett Marking Company acquisition," *p. 26.*

"GS Industries files Chapter 11, will close Kansas City rod mill," *p. 27.*

"SKET reports that 2000 was solid year, notes several sales," *p. 27.*

"Northwestern Steel and Wire Company gets financing okay," *p. 27.*

"General Cable sells business unit, reports Xcel Energy contract," *p. 28.*

"Confex reports Alconex sale," *p. 28.*

"PolyOne to close four U.S. plants, company warns more closures likely," *p. 30.*

"Germany's SCOB opens U.S. office," *p. 30.*

"Energy costs could undermine Phelps Dodge Corporation's plans," *p. 32.*

"Industry supply of Kevlar questioned," *p. 32.*

"Amercord enters reinforcement products venture with Aceros Camesa," *p. 34.*

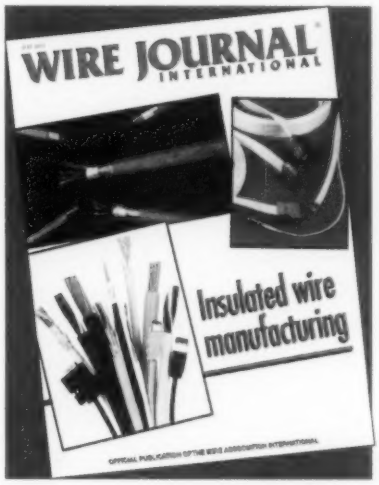
"IWG to close plants, open Mexican facility," *p. 34.*

"Roteq Machinery formed by core of former Nextrom employees," *p. 36.*

"Galvacor line installed at Frost Fence & Wire," *p. 36.*

"DSM to open facility in North Carolina," *p. 38.*

"Titan sale may be near," *p. 38.*



"Nexans chosen as strategic supplier for French-based auto parts company," *p. 40.*

"Delphi automotive closes plant in Brazil," *p. 40.*

"Davis-Standard's Wire and Cable Business Group reports on two lines," *p. 44.*

"ACM to sell machines for Weber & Scher," *p. 44.*

"PPG consolidates sales of pretreatment products for wire and cable industry," *p. 45.*

"Danieli to supply an RSB to Charter Steel," *p. 45.*

"New home for DynaSys International," *p. 45.*

"USF Abrasive Developments opens five U.S. regional facilities," *p. 46.*

"Anixter to acquire some Anicom assets," *p. 46.*

Industry News: April

"North American Wire plans expansion, will pursue new products," *p. 20.*

"Wire and cable industry supplier is also an ironman," *p. 20.*

"Outokumpu reports CERN order for collider project," *p. 21.*

"Delphi reports major cuts to workforce," *p. 21.*

"Lean approach makes for a healthier company," *p. 21.*

"Lucent Technologies acknowledges possible divestment of fiber unit," *p. 22.*

"General Cable closes Pyrotenax® sale, notes TL 9000 registration," *p. 22.*

"Universal Reel & Recycling opens new assembly and recycling facility," *p. 24.*

"DCM Industries enters alliance with Agilent," *p. 24.*

"Delphi announces product and unit sale, job cuts," *p. 26.*

"Sikora moves to larger U.S. office, names new European agents," *p. 26.*

"Switzerland's H.A. Schlatter AG and Germany's Wafios AG form alliance," *p. 27.*

"Ebner reports two furnace contracts," *p. 27.*

"Cold Header Machine enters joint venture with Jouhsen Bündgens," *p. 28.*

"Stewart-Hay Associates founded in Canada," *p. 28.*

"CommScope and Siemon enter closer alliance," *p. 29.*

"Dow Chemical acquisition of Union Carbide gets final approval," *p. 30.*

"GENCA names two new representatives," *p. 30.*

"Germany's LOI Thermprocess GmbH reports Asian furnace order," *p. 31.*

"Morgan reports order for rod mill upgrade," *p. 31.*

"Management team buys Hemmings Wire, plans to update operation," *p. 32.*

"Andrew Corporation reports Brazilian order for national wireless network," *p. 32.*

"CableNet opens U.S. office in N. Carolina, names two executives," *p. 33.*

(continued)

"Q.E.D. reports galvanizing line start-up," *p. 33.*

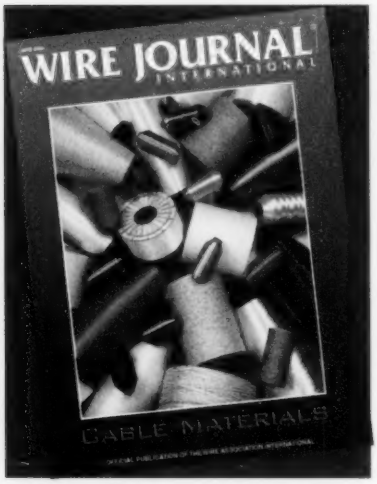
"Thermcraft, Incorporated, acquires Trans Temp," *p. 33.*

"Commission Brokers will sell assets of insulated wire manufacturer," *p. 34.*

"ABB announces order for power cable," *p. 34.*

"China Netcom selects Corning® LEAF® Fiber for its network backbone," *p. 43.*

"Canterbury Engineering reports court ruling against former employee," *p. 43.*



"American Superconductor sees potential in new material for superconductivity," *p. 44.*

"Associated Spring opens new U.S. center," *p. 44.*

"PolyOne Corporation unveils updated e-commerce web site," *p. 45.*

Industry News: May

"PolyOne consolidation calls for many plant closings," *p. 20.*

"Electri-Cord buys Tyco line of power cords," *p. 20.*

"Avaya to cut Omaha workforce by 220 positions due to product change," *p. 20.*

"CommScope cuts 500 permanent positions in response to industry slowdown," *p. 21.*

"Southwire reorganizes wire and cable business into four segments," *p.21.*

"Comtran Corporation joins The Marmon Group of companies," *p. 22.*

"Entwistle opens U.S. regional office," *p. 22.*

"Borealis takes over full ownership of Nova-Borealis Compounds LLC," *p. 24.*

"TRS to double space, increase TPE output," *p. 24.*

"Southwire Company closes one plant in Osceola, reports sales of smelter," *p. 26.*

"GCR to supply steel tire cord plant in China," *p. 27.*

"Eastern Color acquires remaining percentage of Lenox Chemical," *p. 27.*

"ITC rules steel wire rope from India and China is not a threat," *p. 28.*

"Republic Technologies files for Chapter 11 bankruptcy protection," *p.28.*

"Neptco names Warbrick International, Ltd., as its U.K. representative," *p. 29.*

"Coleman Cable buys certain assets from Spectrum Wire Corporation," *p. 29.*

"Joint venture completes new plant for UV-curable material production," *p. 30.*

"Hercules divests some of its operations," *p. 30.*

"Plastics Focus Group formed by RadTech to develop industry programs," *p. 31.*

"Nicholas Plastics Group expands resource capabilities," *p. 31.*

"SUPERIOR ESSEX reports plant product approval, TL 9000 registrations," *p. 32.*

"Houghton part of heat-treating process initiative," *p. 32.*

"TexCal acquires line of cables from Tyco," *p. 32.*

"Kobe Steel and Lucchini Group enter technical exchange agreement," *p. 34.*

"LNP Engineering Plastics enters agreement with BP Amoco," *p. 34.*

"U.S. Baird acquires ADC Company," *p. 38.*

"ITS gets testing okay from Graybar," *p. 38.*

"Magnetic Shield Corporation celebrates 60th anniversary," *p.38.*

Industry News: June

"Warm return for brother of former WAI president," *p. 18.*

"Dow Chemical reports acquisition savings, job cuts," *p. 18.*

"AT Plastics plans to sell its power cable units to Equistar Chemicals," *p. 18.*

"Winds of time (and alternative energy) harnessed with General Cable's help," *p. 19.*

"Two Techint furnaces started up at Super Steel processing plant in Alabama," *p. 19.*

"Southwire Company announces layoffs at two of its operations," *p. 20.*

"Alcatel plans layoffs due to economic slowdown," *p. 20.*

"Morgan to design Korean mill upgrade," *p. 20.*

"Phelps Dodge calls halt for now to sale of wire and cable business," *p. 22.*

"New name for Nextrom Toronto a familiar one," *p. 22.*

"AMSC reports third U.S. Navy contract," *p. 24.*

"Boeing awards Tyco airframe wire contract," *p. 24.*

"After more than a century, Northwestern Steel and Wire to close," *p. 26.*

"Queins and Viteck form joint venture," *p. 26.*

"J.J. Lowe Associates acquires Robert Walker, Inc., plans to merge business," *p. 28.*

"Eder Engineering reports contracts," *p. 28.*

"Universal Reel reports new production line," *p. 28.*

"DynaPower® executives buy company from DynaMotive," *p. 30.*

"Allegheny Process Equipment enters partnership with EPCAD Systems," *p. 32.*

"Marldon Group adds to Urbano representation," *p. 32.*

"Nexans reports cable contract, opening of facility," *p. 36.*

"Gem Gravure Company announces Mexican, Latin America team," *p. 36.*

"Polish company invests in power cable production," *p. 37.*

"WCISA a sponsor in two industry events," *p. 37.*

"Davis-Standard and Nordson Fiber enter into a strategic alliance," *p. 38.*

"Union Minière invests in material production for optical fiber," *p. 38.*

"Spain's Caballé opens new office in Brazil," *p. 38.*

"ACS Industries notes new office locations," *p. 38.*

Industry News: July

"AIW wire proves shipshape for navy," *p. 20.*

"Insteel sale to Bekaert to result in closing of FWC plant in Florida," *p. 20.*

"Amercord closes operations at Lumber City, Georgia, lays off 450 people," *p. 21.*

"Web company offers link between Chinese companies and rest of world," *p. 21.*

"Mexican wire manufacturers' association formed," *p. 22.*

"Lucent merger with France's Alcatel ends," *p. 22.*

"Rea Magnet acquires Hanover, to become part of Algonquin Industries," *p. 24.*

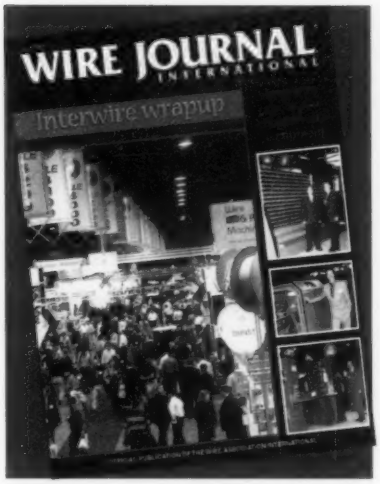
"Niehoff names RoMark as its Canadian rep," *p. 24.*

"General Cable reports GENCA sale, high-flying Boeing contract," *p. 26.*

"MACBEE reports awarding of patent," *p. 26.*

"France's Alcatel to close underwater cable plant in Portland, Oregon," *p. 28.*

"Kinrei creates U.S. firm at Watson Machinery," *p. 28.*



"Leggett & Platt reports operation changes, layoffs in fiscal report," *p. 29.*

"Warbrick/Wardwell announced opening of U.K. service facility," *p. 29.*

"Zumbach AG completes expansion," *p. 30.*

"Morgan commissions new shear at Connecticut Steel Corporation," *p. 30.*

"Wire & Plastic Machinery notes addition of new warehouse," *p. 31.*

"U.K.'s CableNet is joined by wireConnect and its president," *p. 31.*

"Finland's Outokumpu Castform Oy updates several contracts," *p. 32.*

"Corning delays plans to expand fiber plant," *p. 32.*

"Theseus Solutions, Inc., reports patent," *p. 33.*

"Alcatel reports collaboration with Sumitomo," *p. 33.*

Industry News: August

"Indiana Steel & Wire upgrades its galvanizing operations in Muncie plant," *p. 16.*

"ITC determines that imports represent material injury to U.S. rebar industry," *p. 16.*

"Wardwell Braiding acquires Germany's Spirka," *p. 17.*

"Scapa Group acquires Lantor, now called LUSA Inc.," *p. 17.*

"Sonoco Baker acquires Cumberland Wood Products business," *p. 17.*

"Broadband technology still dominant ... for now, study says," *p. 18.*

"Alcatel reports more layoffs, plans to exit most manufacturing," *p. 19.*

"France's Imaje acquires Swedish manufacturer of marking technology," *p. 19.*

"Nexans reports on two cable contracts," *p. 20.*

"Switzerland's AESA joins Agilent program," *p. 20.*
